

Using The Butterflies Australia App(lication)

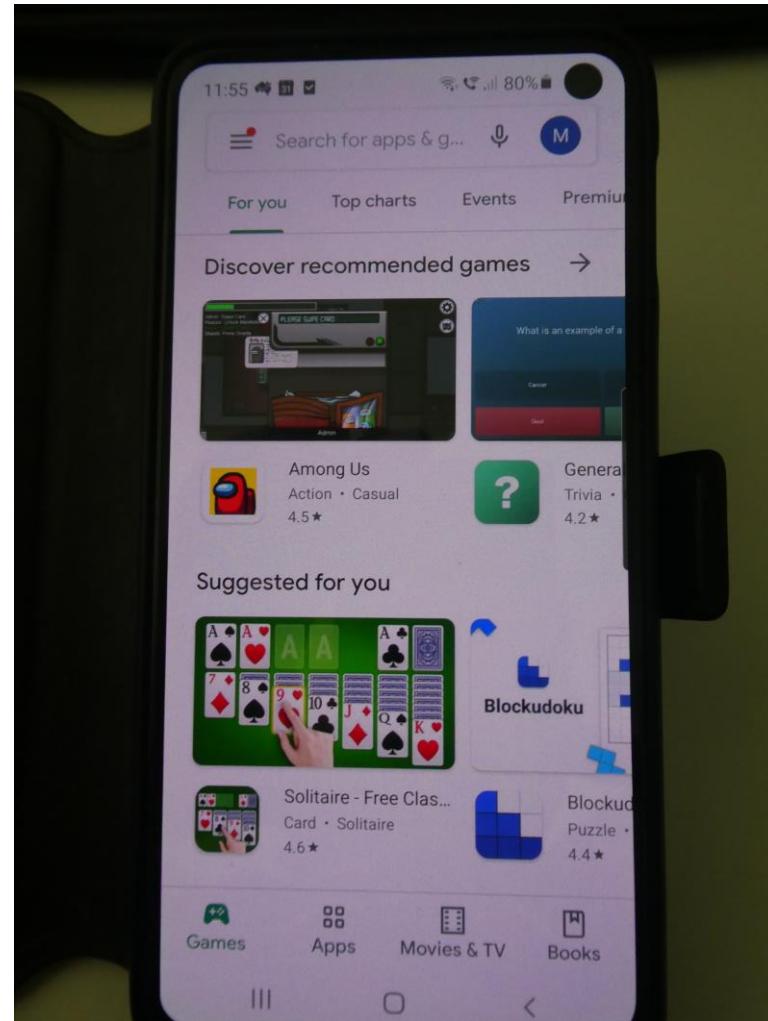

If you don't have it!

Go to
(Google)
Play Store

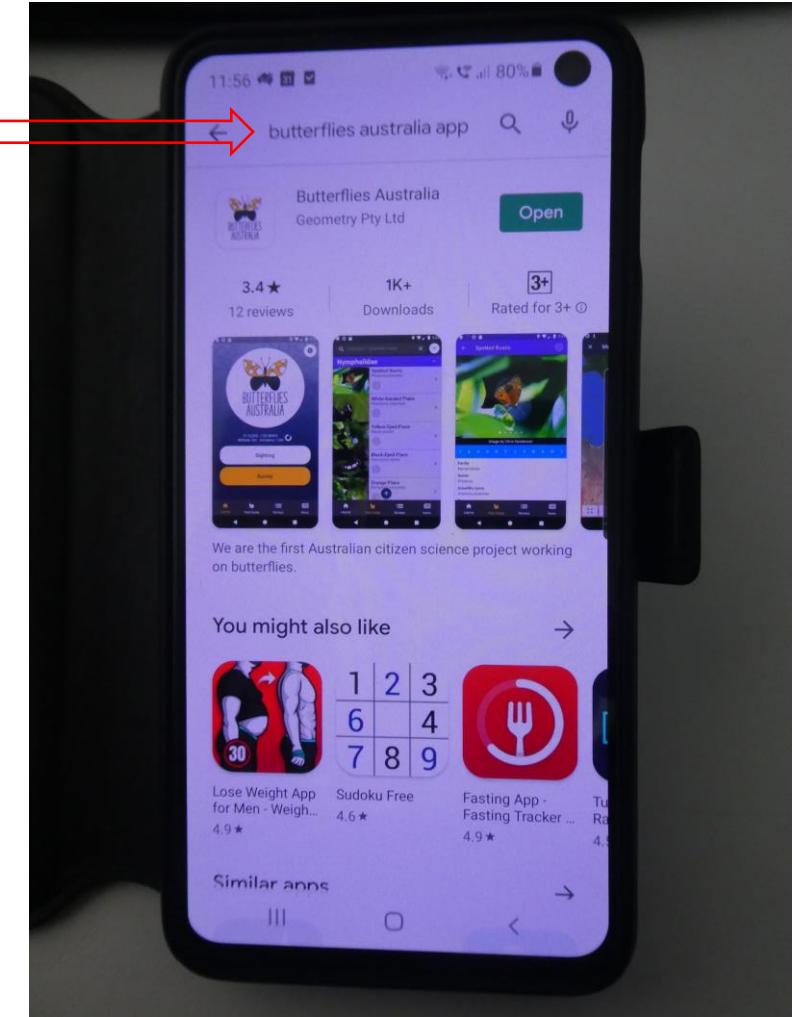

Click on
the
Icon
and
see this

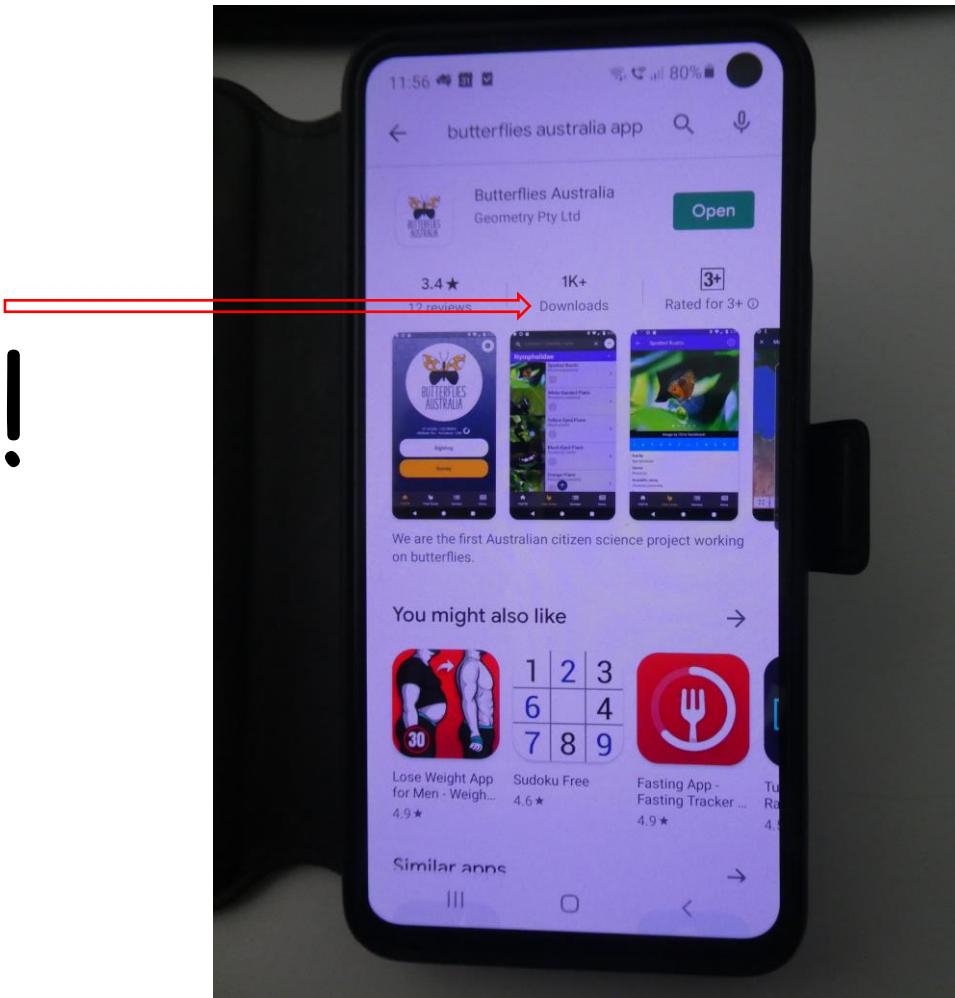

In the search bar
type in

Butterflies Australia

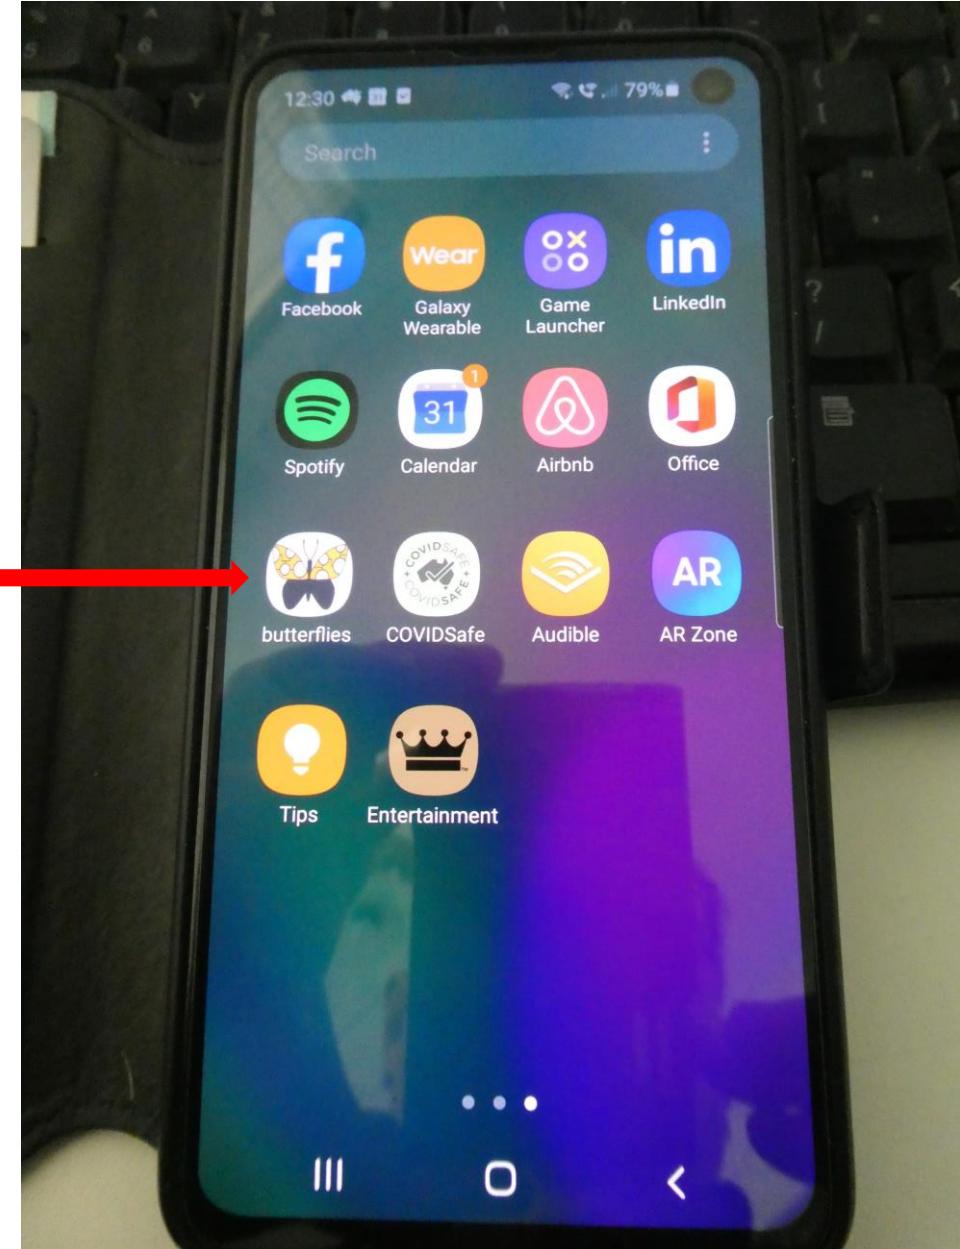

Download it
onto your phone!
It will not cost
you anything.

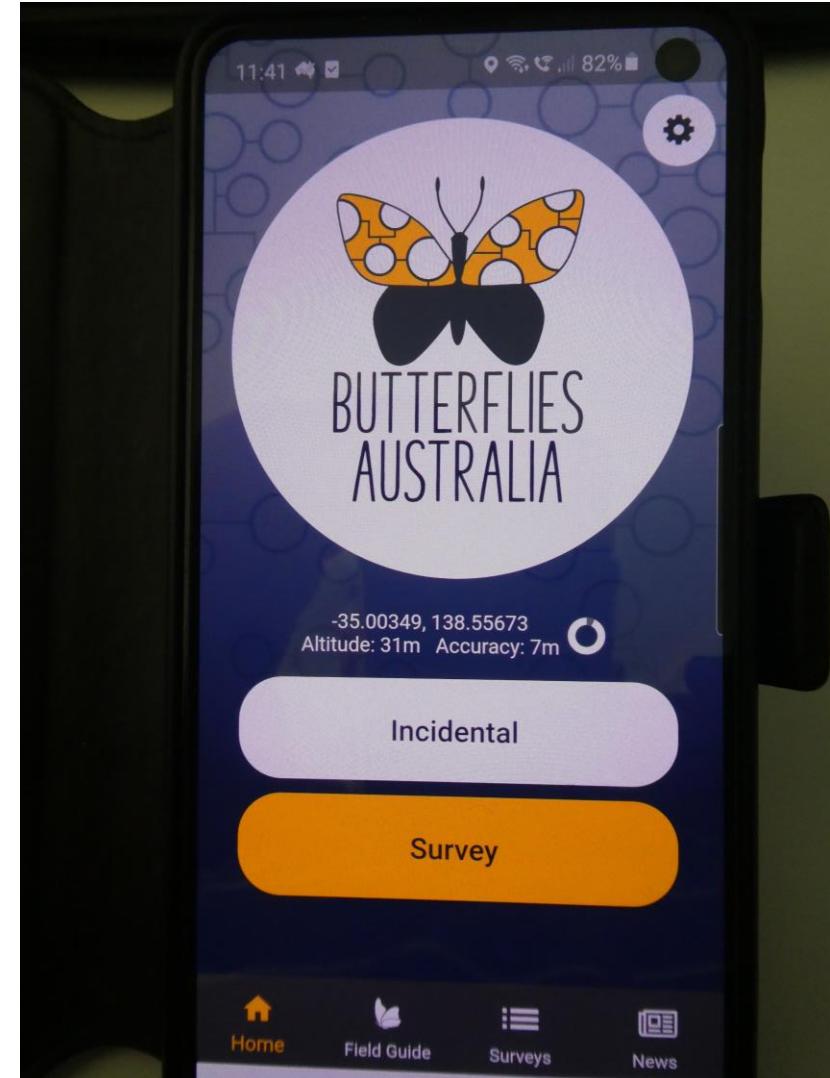

Now to use it!

Find the App in
Your list of Apps.
Open the App by
tapping ——————
on it once with the
pad of your finger.
Warm is best.

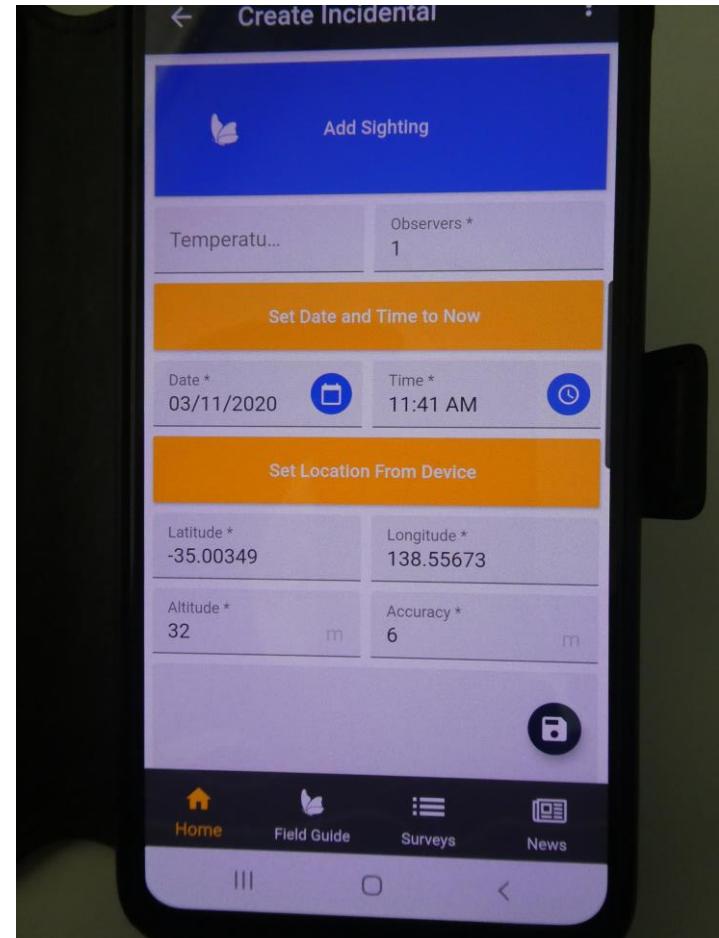

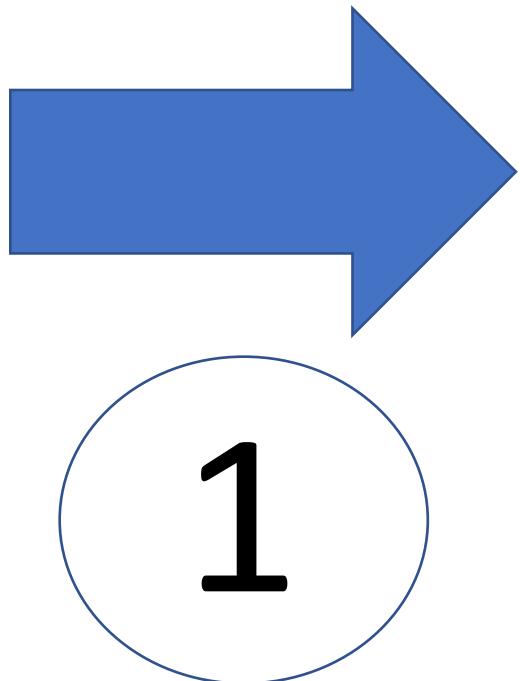

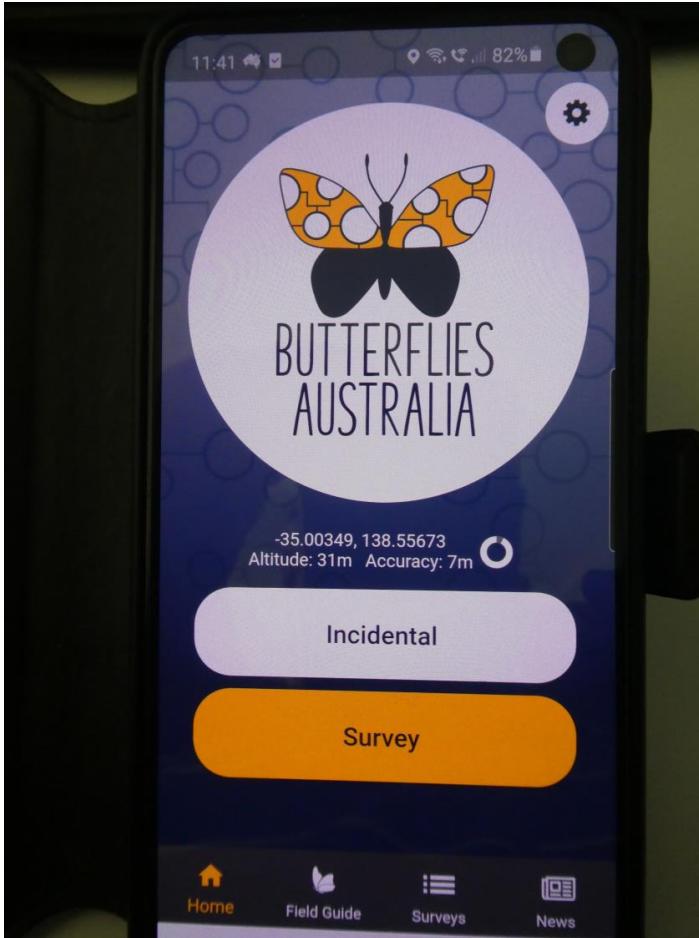

This is what you
will see!

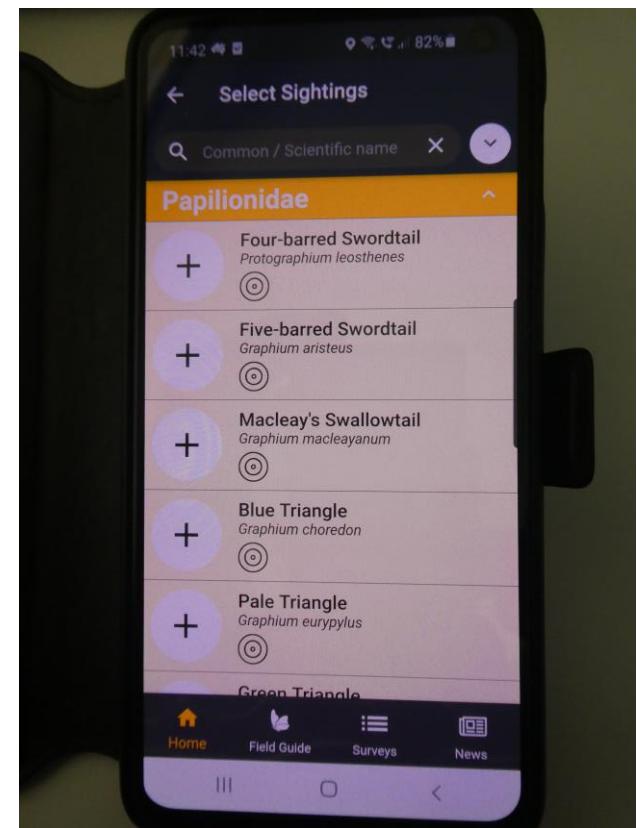

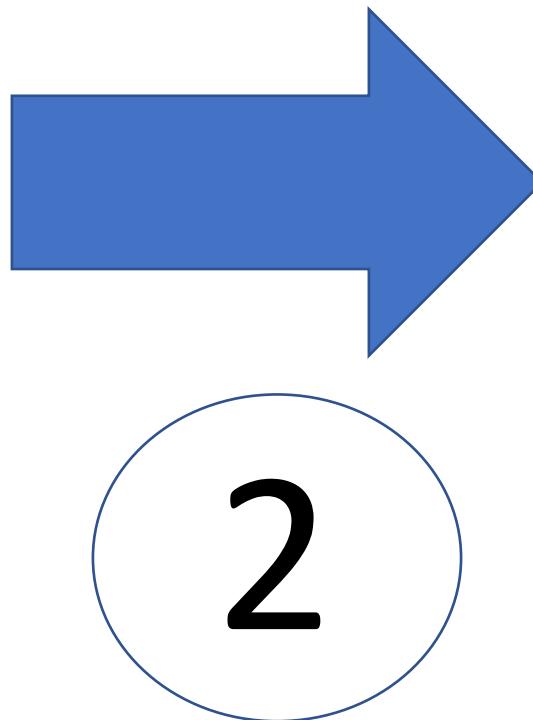

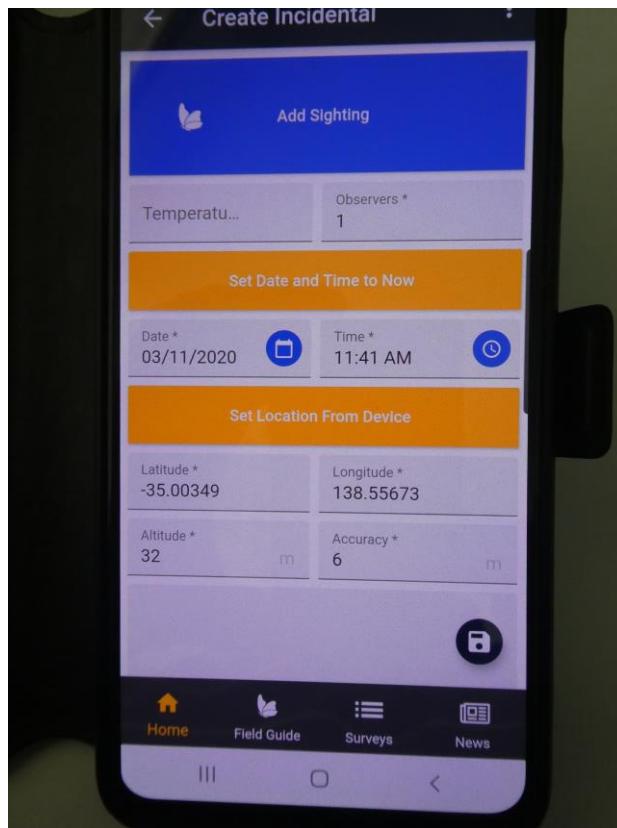

You are only
a few buttons away
from submitting a
no image RECORD!

Hit the Incidental button

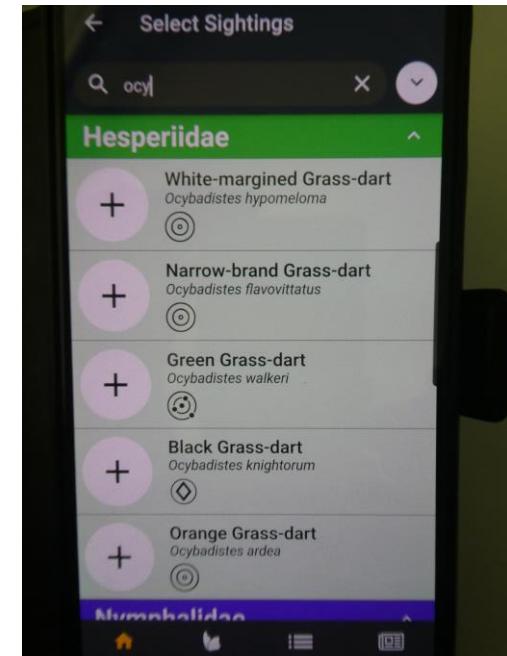

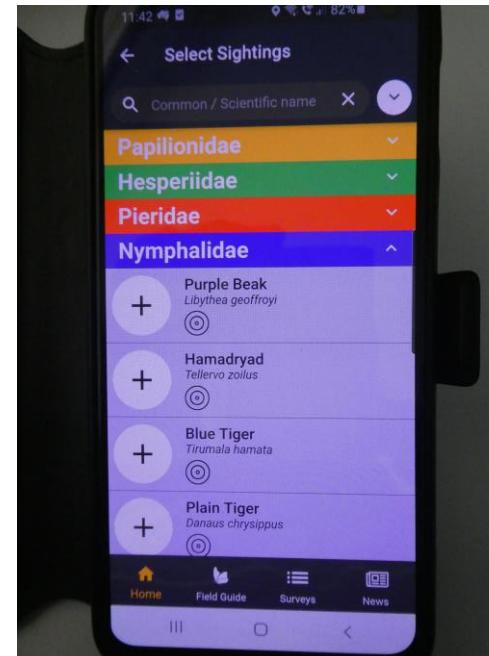

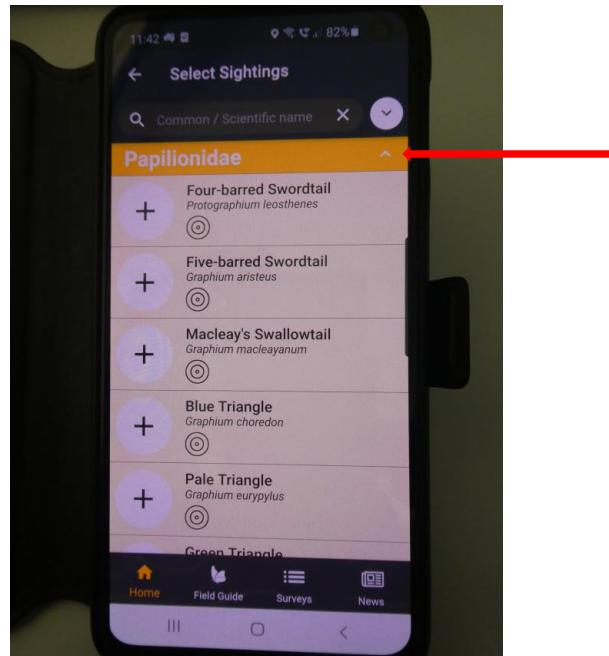

Hit Add a Sighting

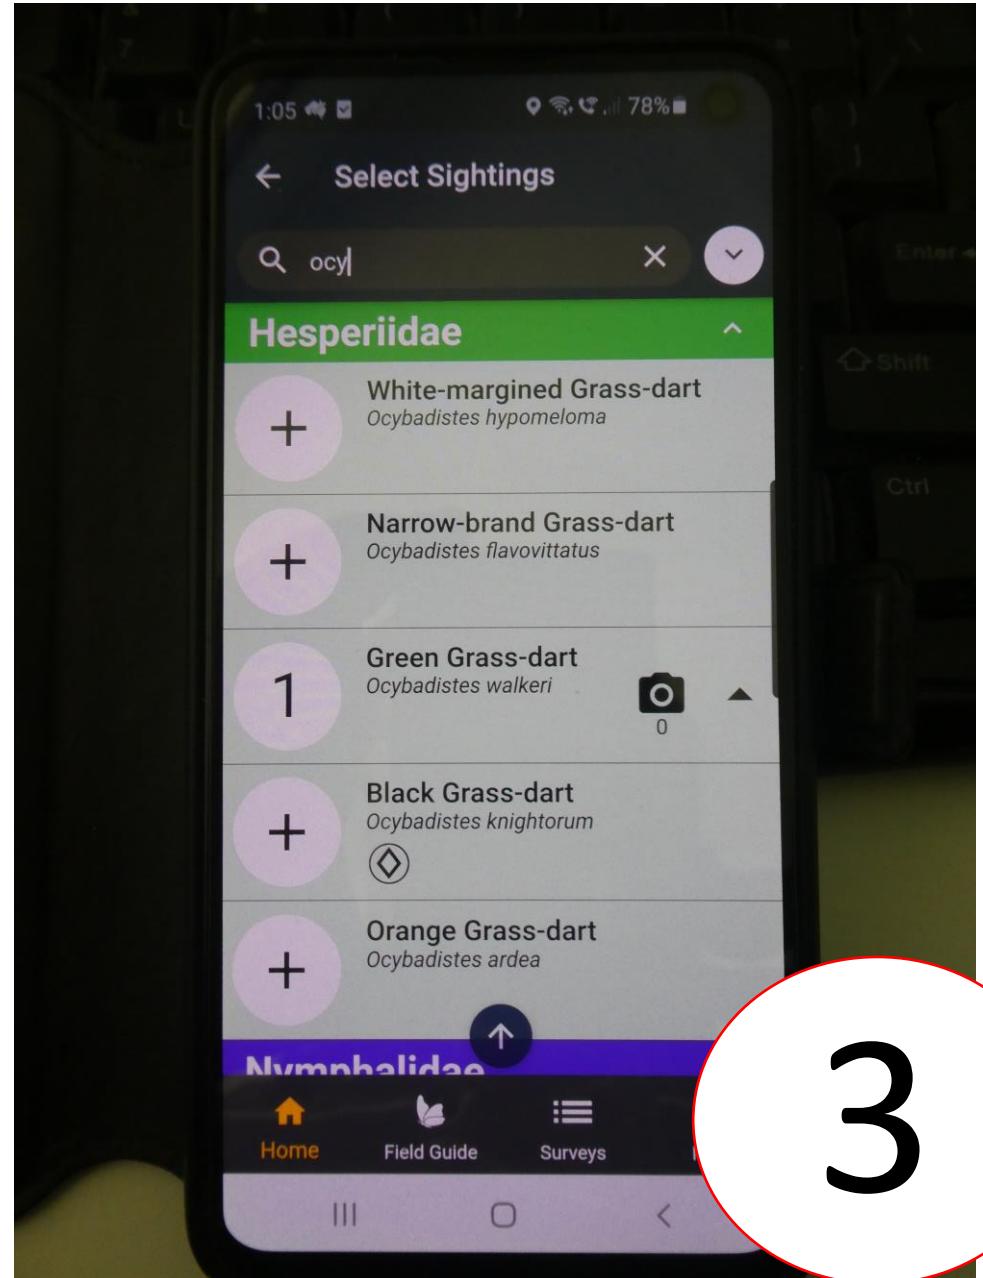

Find the Butterfly you want in the list.

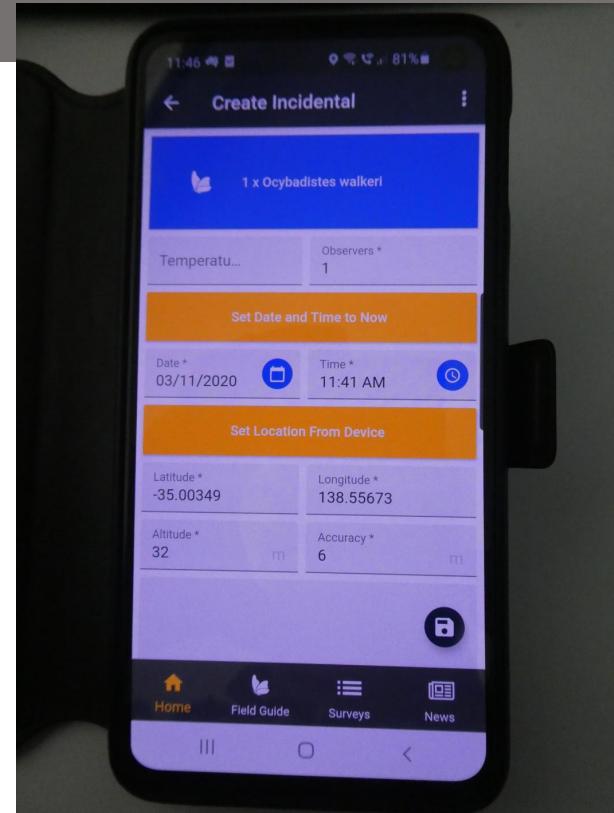

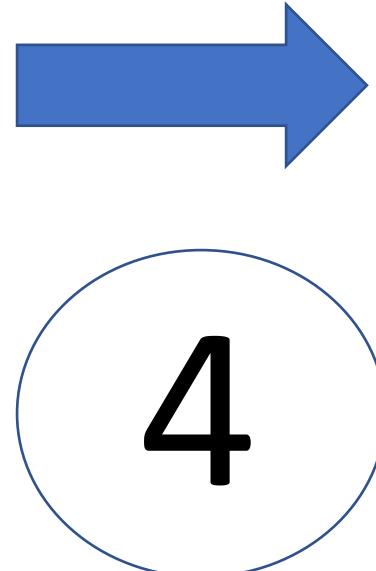

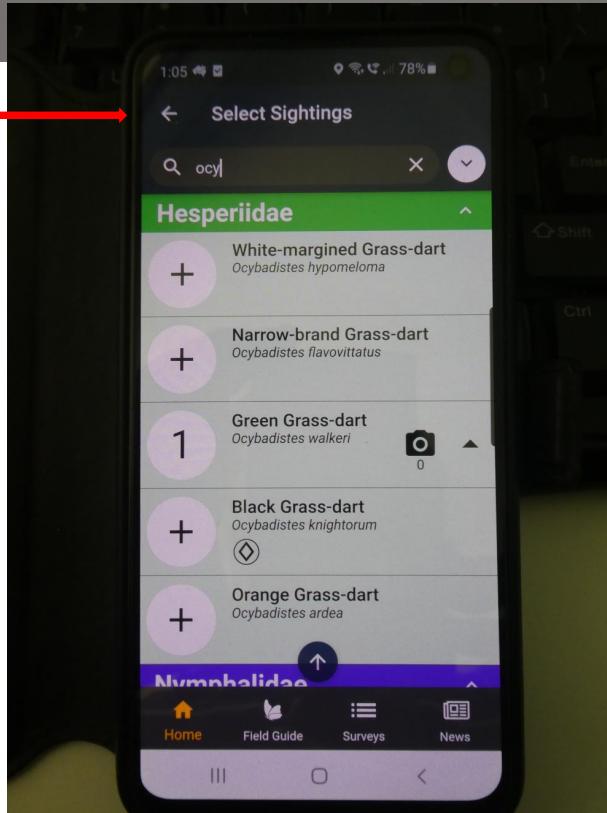

You will find the compression aspect of the lists useful.

When you have found what you want push the “+” button to indicate the number of individuals of the species you have found.

Now hit the ← Select Sightings Back arrow at the top of the page!

If you want to ADD another butterfly
to your list,

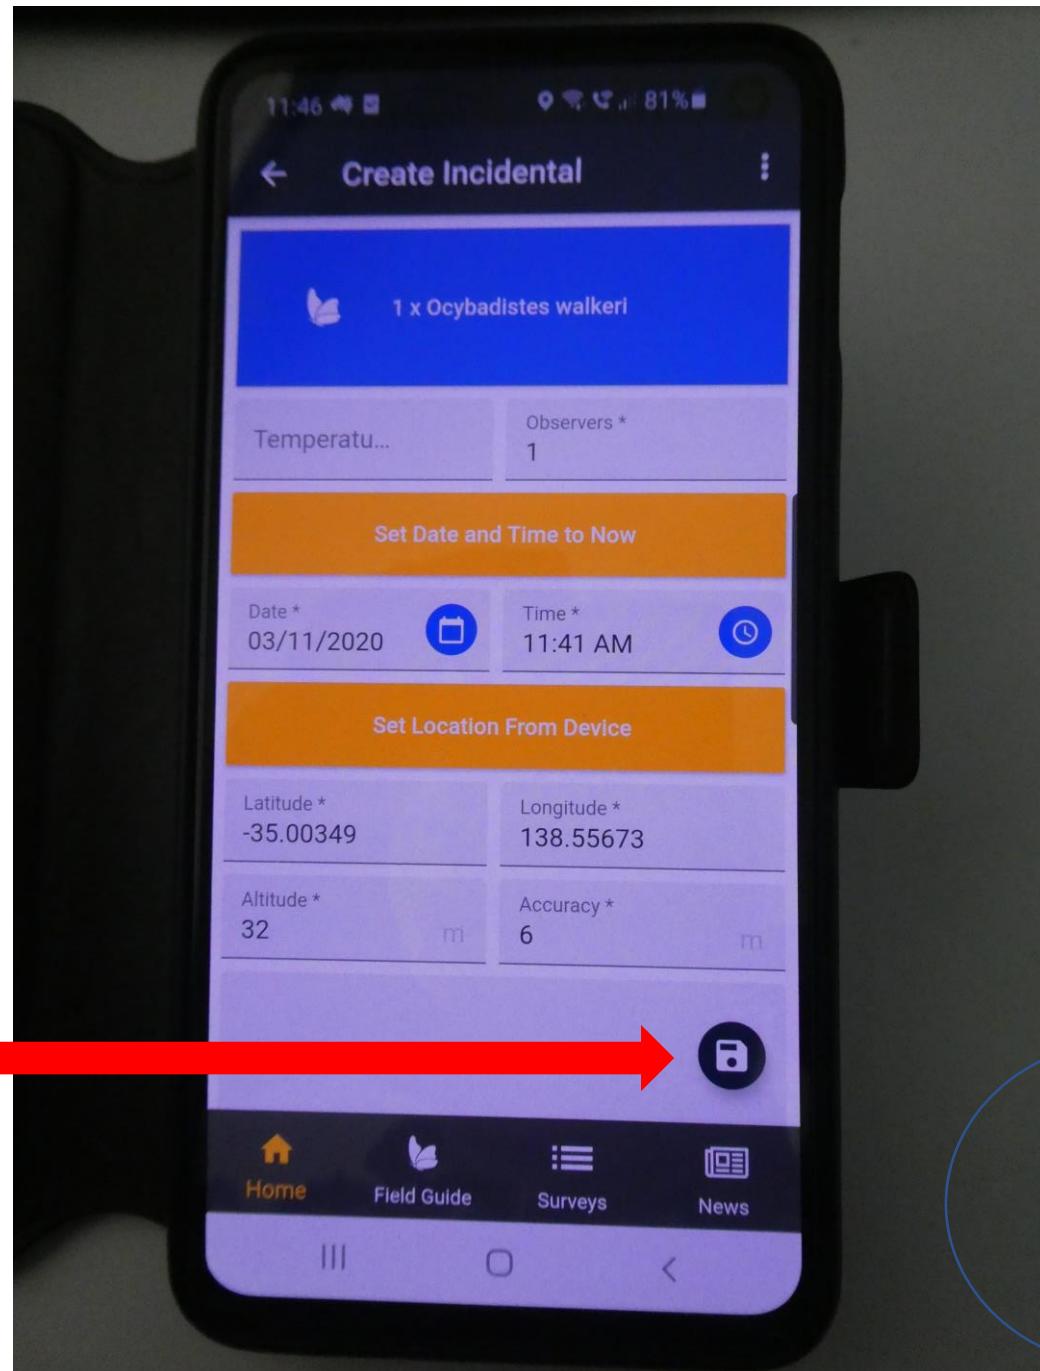

Now is the time.

Hit the big blue **Sightings** button and
just go back into the list of species and
add another. Remembering to press the
“+” on the species chosen.

Hit **Select Sightings** again and repeat or
go on.

When you have
finished your
survey.

Now **MOST**
IMPORTANT
hit the **SAVE**
button at the
bottom of the
SIGHTINGS page!

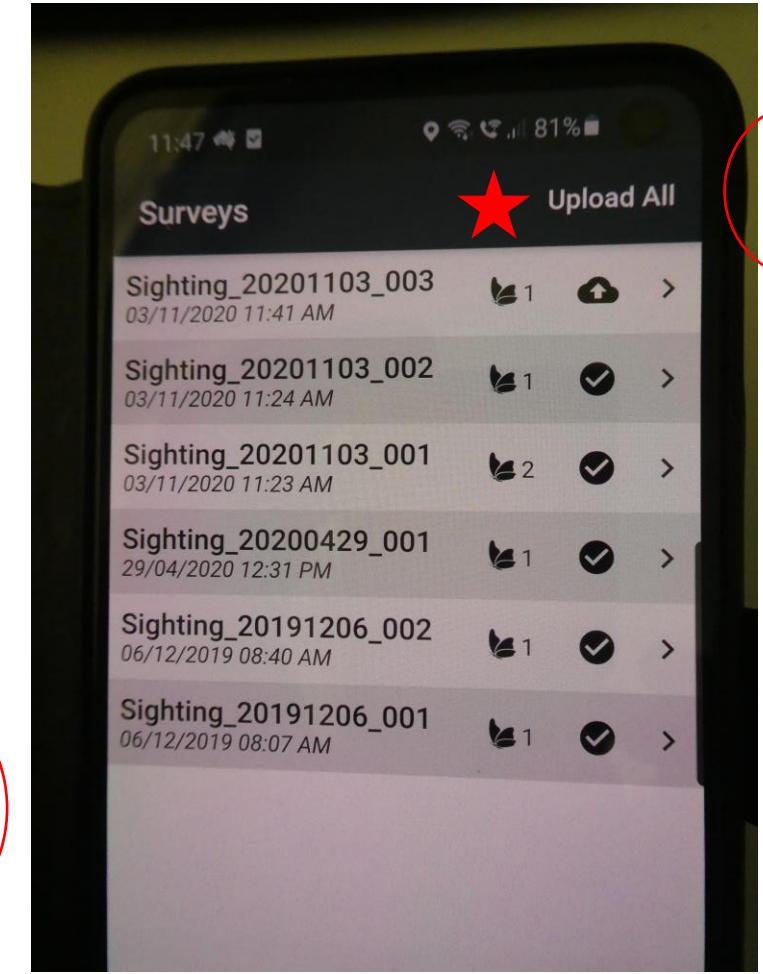

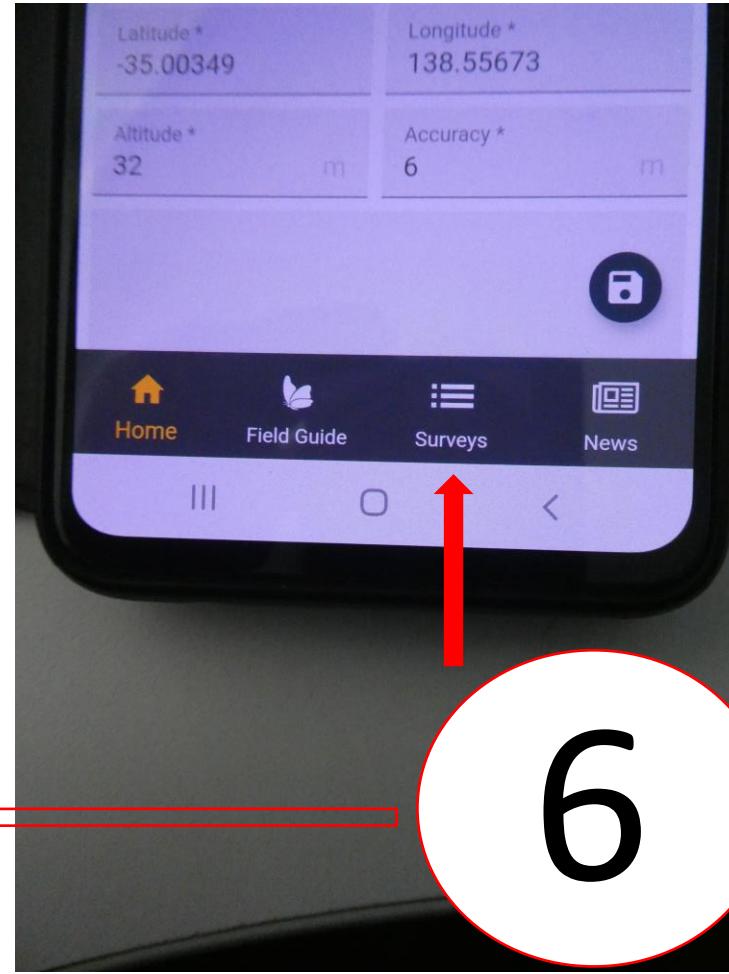

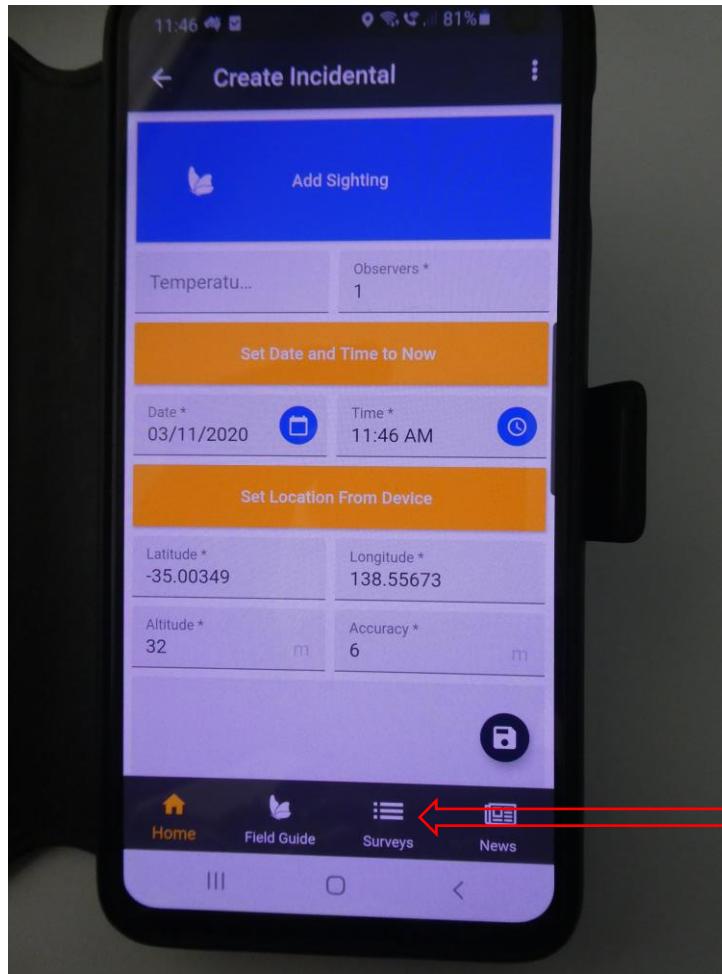

Almost there. You now have
your information **SAVED**.

Now you must **UPLOAD** it!

Find the **SURVEYS** button
at the bottom of the
page and hit it.

Then press **UPLOAD ALL!**

SUCCESS

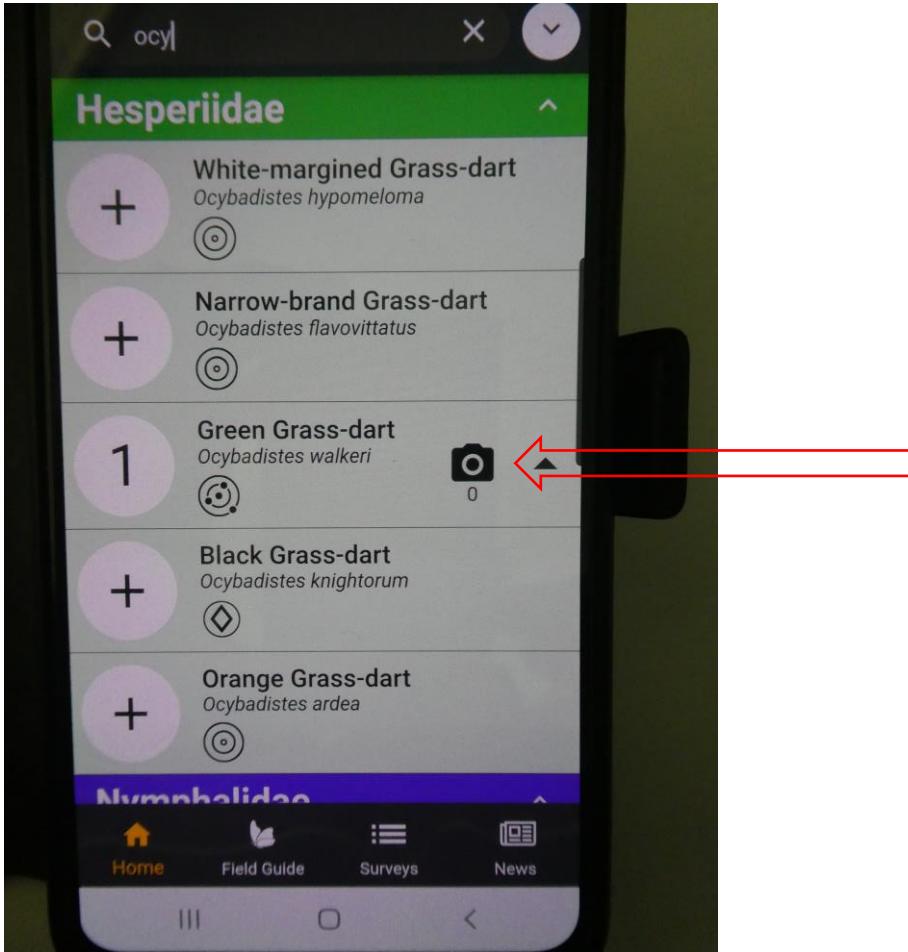

You want to ADD an IMAGE?

I suggest you take the image FIRST THING before you get into the App.

You can get the image from your Image GALLERY later.

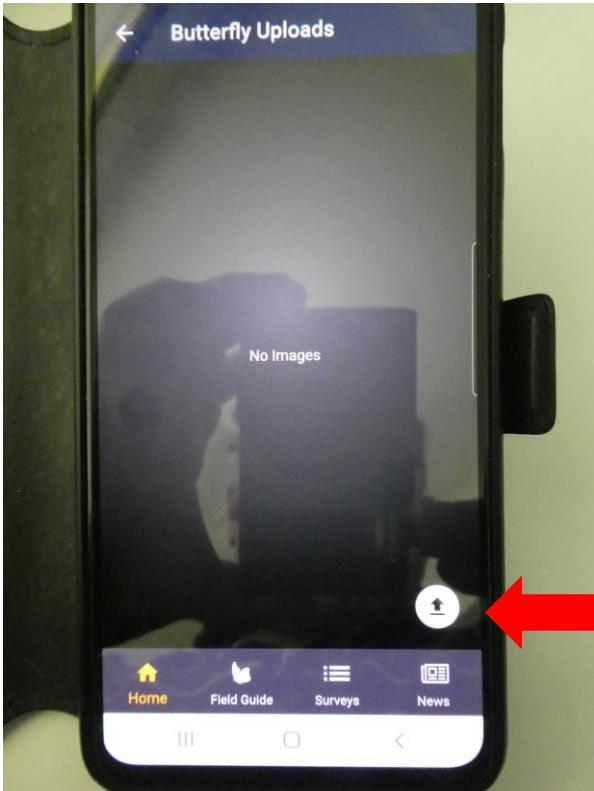

But you can take an image going through the process if you wish!

You
have
just
done
this!

Now hit the
camera icon.

You
get
this.

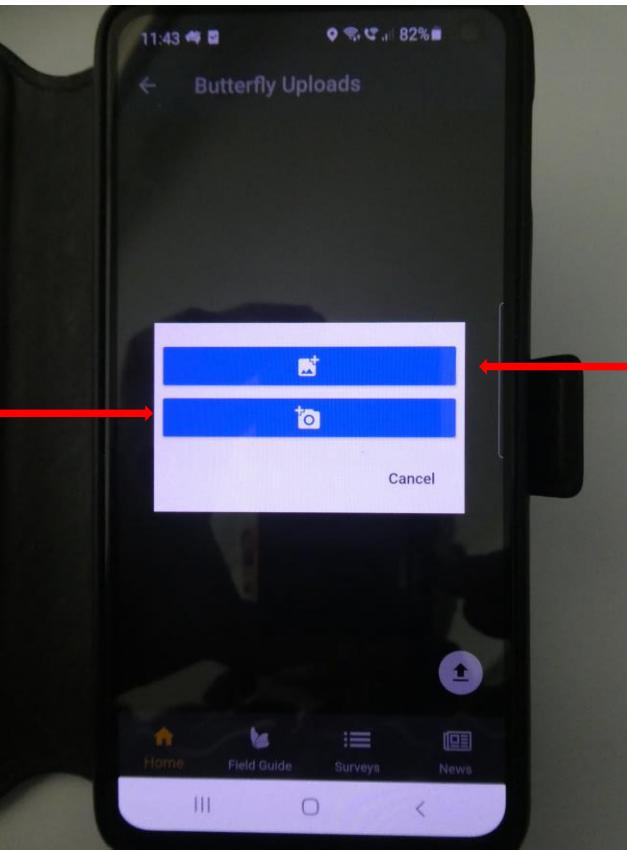

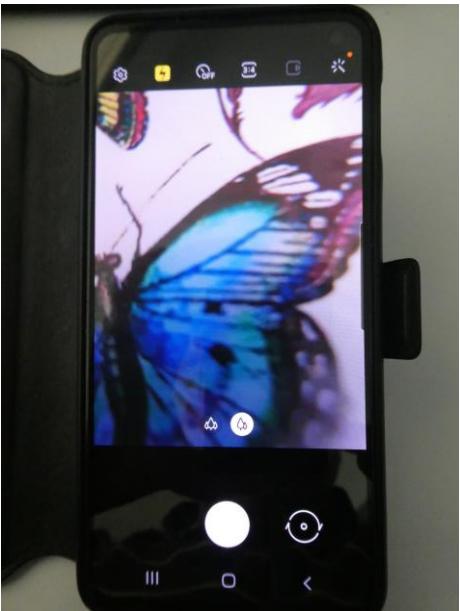

Use
-ful
Hey?

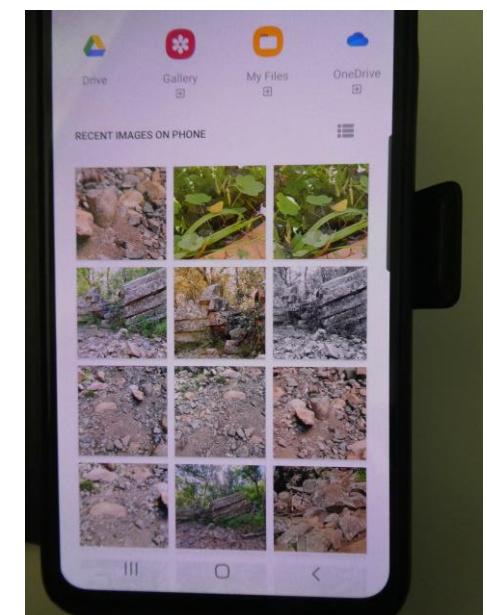

Never
fear

Just HIT this.

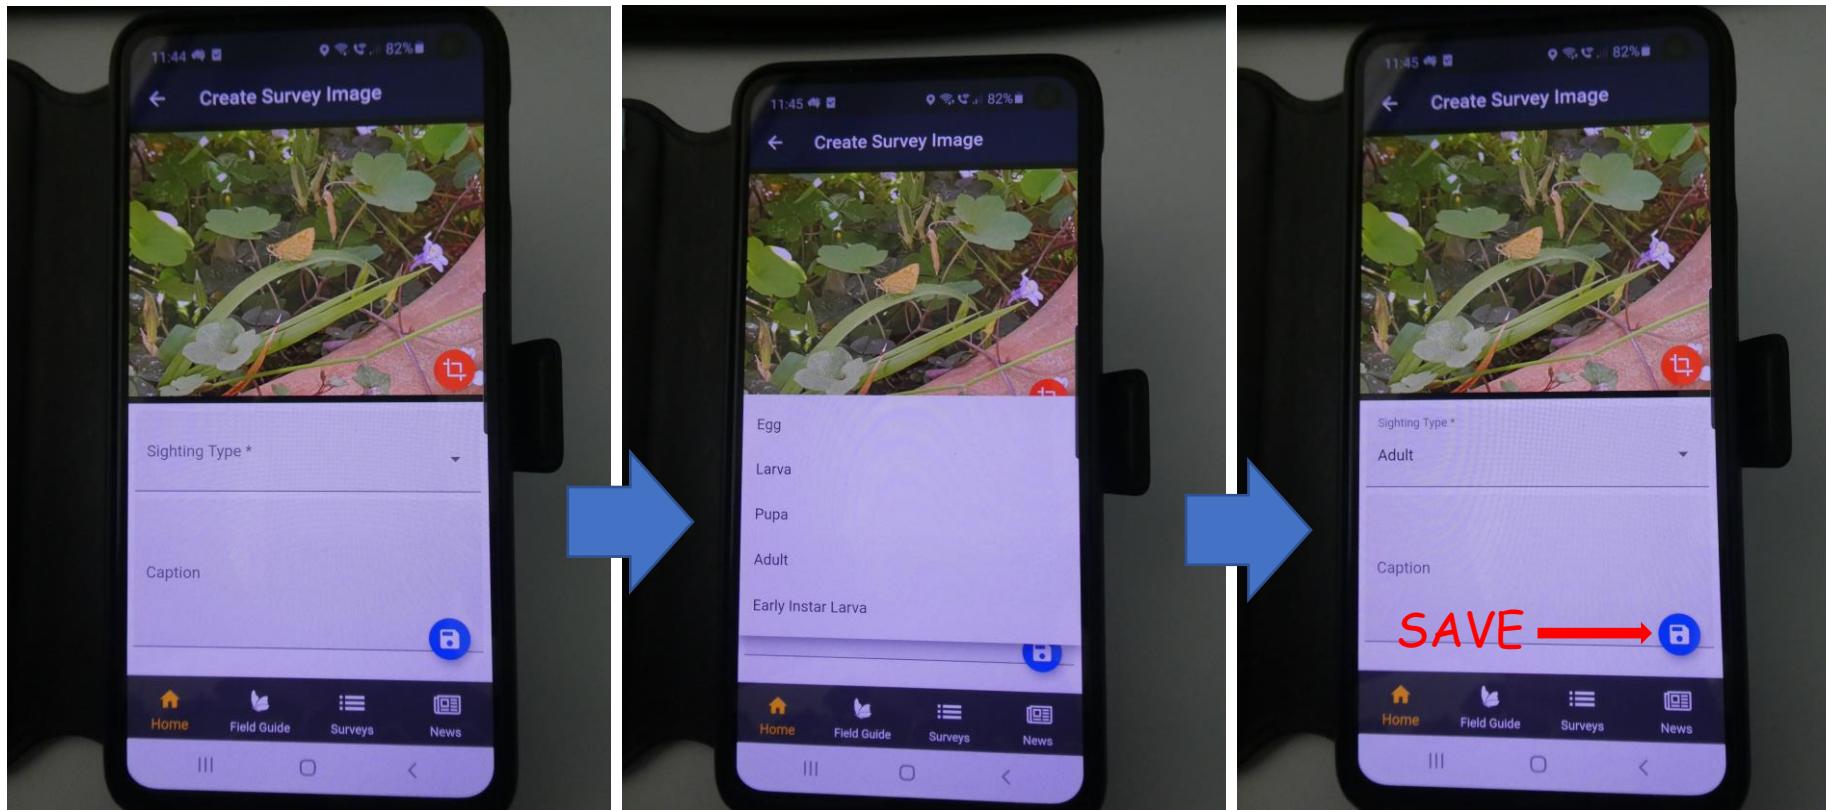

Take
a
picture
now.

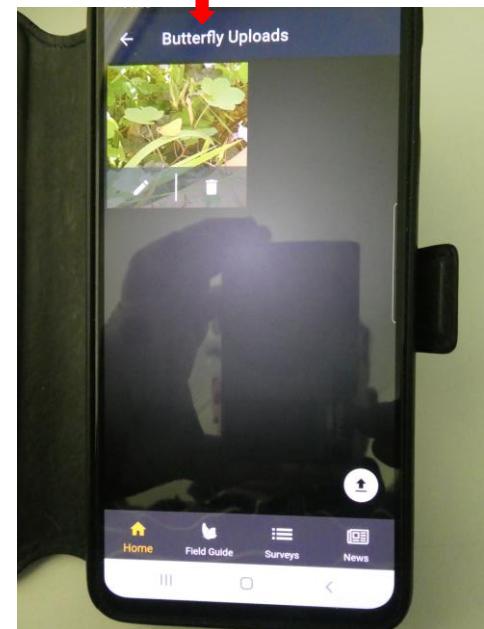

From
your
Gallery.

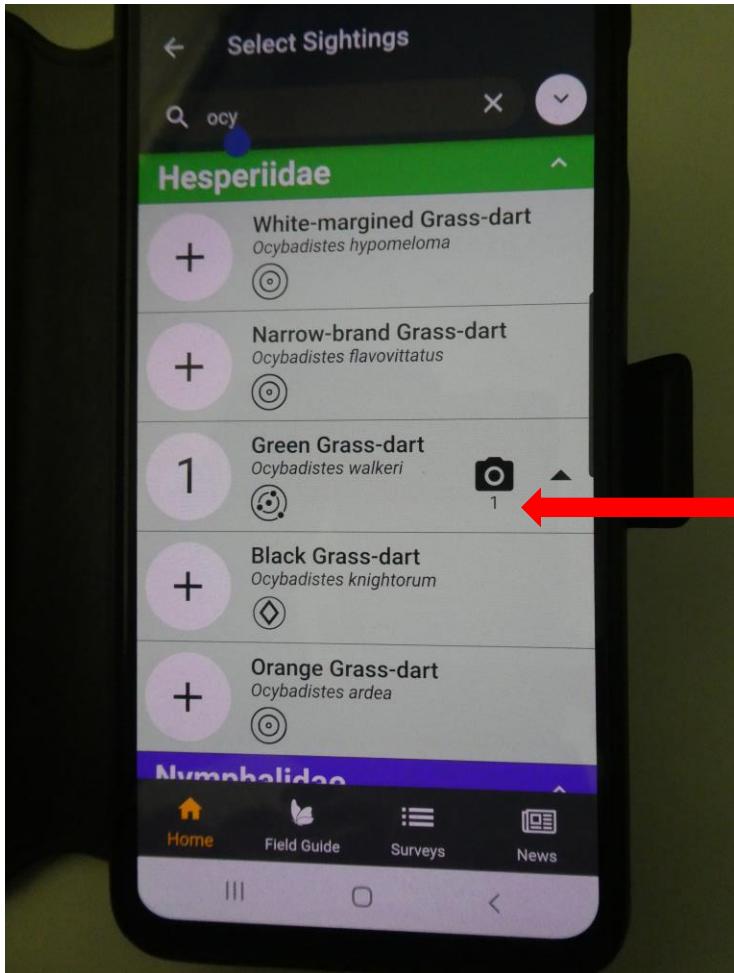

You must fill in Sighting Type then Save!

Then
Butterfly Uploads

Just to show you are very clever!

See
the
No.1

NOW

1. Hit back-arrow to Select Sightings
2. If finished hit SAVE.
3. If NOT finished, hit Select Sightings again.
4. Carry on! But remember hit SAVE at the end and UPLOAD!

Isn't TECHNOLOGY a wonderful
multi-edged SWORD!

THE END or JUST A BEGINNING!
