

Human chain for Mirnu Wirra

Picnic rally, at Princess Elizabeth
playground, South Terrace

12.30pm Sunday 4 June 2023

Then, join hands around the massive
proposed police barracks site.

Protect the biodiversity of Golden Wattle
Park / Mirnu Wirra (Park 21W) in your
world-unique Adelaide Park Lands.

The State Government is purchasing 524 properties to upgrade South Road. But so far, it's been unwilling to purchase any land for its planned massive expansion of city police barracks.

The Government is targeting this site in your Park Lands to build a security-fenced compound; to include stables for 40 horses, offices and meeting rooms for 30 staff, a kitchen, change-rooms, showers, toilets and lockers, horse “tack” rooms, a veterinary suite, fodder stores, a secure gun room, garaging for horse floats, staff car parking and more.

The eight hectares supposedly required would be much larger than the Adelaide Oval stadium; much larger than the present Thebarton police barracks. Such a semi-industrial facility does not belong anywhere on your Open Green Public Adelaide Park Lands, and especially not at this site, which has been nurtured for years by Bush for Life volunteers as a haven of biodiversity and is now home to the endangered chequered copper butterfly.

Join us on Sunday 4 June at 12.30pm, starting with a picnic lunch at Princess Elizabeth Playground.

Then, at 1.30pm, join hands around the massive eight-hectare proposed police barracks site to show your support for the biodiversity of Golden Wattle Park / Mirnu Wirra (Park 21W). This will create a powerful image that the State Government will not be able to ignore.
